

**“I fought for my country.
Now I'm bringing the
fight to my HIV.”**

Reggie – Atlanta, GA

Living with HIV since 1985.

As a military guy, I know how to follow orders. So when my doctor told me to start and stay in treatment, I listened. Now my treatment regimen is part of my life. That means I take my pills, I keep my medical appointments, I stay connected to support groups and I keep up with the latest education. Treatment works for me, and now I show other veterans who are HIV-positive how it can work for them.

Get in care. Stay in care. Live well.
